Assessor Comments	551 Aug/Sept 25 drop June shorn Gunnegaldrie blood merino ewe lambs. Ewe lambs have all animal health up to date. Lambs have been started on grain and buffer and handle as very good 2 and 3 score lambs at assessment. These Ewe lambs are the 2nd draft of ewe lambs in the drop, no ewe lambs are being retained by the Harrisons in 2026. These ewes would traditionally be the classed in ewe lambs. All lambs weighed through autodrafter 40 - 55kg at assessment. Ewe lambs have all the ethical wool handling & accreditations to receive premiums in the a buoyant wool market.			
Assessor	Don Foran (Level 2 Accredited) Phone: 0428 470 308
