Assessor Comments	Hunts of Chainpump are offering 186 ewes presenting in fresh condition. These ewes are improving daily. Bred for plain body and bare breach ewes. If its very good clean bright stylish wool you want these are the ewes for you. Great wool cutters on a good frame body. Chainpump have been proven for there fertility as they dont scan but get over 100% lambing on mating every year. The vendor has not mulesed for 8 years now, but does a light tail strip. These ewe had a hard start as it was dry when born, but have grown and are looking the goods now. Great wool cutters, and good meat bodies. The wether lambs always leave this property as good heavy lambs. Highly recommend these ewes.
