Assessor Comments	A great opportunity to purchase a line of 4.5 yr old classed in breeders that present if good forward condition and would suit breeding back to the merino or any terminal sire of your choice. These ewes are genuine large frame ewes that have proven to be fertile ewes that will cut plenty of kg's of nourished medium 19-20 micron wool. NOTE: the same vendor has another line of 2021 drop ewes in the same sale.
