Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	A well bred line of Maiden Merino ewes 13 months of age, Bella Lana blood, August shorn NSM. A 15% tail has been taken from the draft. This is the annual dispersal of the CAMPBELL family maiden ewes. They have been bred out of classed breeders that are noted for their high fertility with the flock annually scanning 150% in lamb. They are non mulsed, plain bodied and RWS certified. With all animal health up to date this is a great opportunity to purchase young future breeders in forward condition ready to join up to the Ram of choice.
