Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	A very good line of young ewes that present in very good condition. These ewes are July/August 2025 drop, Brundanella blood, June shorn, mulesed and N.S.M. Animal health is all up to date along with being drenched in the 1st week of August. A self-replacing flock with the focus being on a dual purpose sheep that produces quantity and quality wool of 18 to 19 micron along with being highly fertile. This year the producers wool averaged a shade under \$100 a head gross. Please note there is the odd long toe due to the very good season.
