Assessor Comments	On Offer is a very good line of Solid medium framed ewe lambs. These ewe lambs were September-October drop bred out of the Walcha. These ewes were purchased as unweaned lambs out of a very tough season in February. Ewes have grown out well and have had favourable conditions late autumn and over the winter. Ewes will be good to take on and join to ram of choice. NOTE 260 total in sale, to be delivered if purchased separately as run out the gate. Original assessment available
