Assessor Comments	2 x 100 – RUN OUT OF THE GATE A very good quality line of first-cross maiden ewes, presented in prime condition and ready to join to the rams of your choice. These ewes were purchased in late February as weaners, direct from the breeder. The McKinnon family have been purchasing directly from this breeder for 15 years, providing confidence in the breeding and quality of the line. They have grown out exceptionally well and will continue to mature into excellent, large-framed prime lamb mothers. All one mark. The vendor also has one other lot of ewes in this sale, being the second cut from the same consignment.
