Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.			
Assessor Comments	Line of very well bred young ewes from the Vandeleur Family's "Rices Creek" flock. Known for their big stretchy, plain frames and crisp, white wools, these girls are the lead draft of their sale hoggets. They are a strong medium frame in a store to forward order and will continue to grow into the large sheep you'd expect given the right feed and conditions.
