Assessor Comments	Neat line of Future Breeder Ewe Lamb/Hoggets that present in a forward condition. This line of Lamb/Hoggets got purchased back in the Autumn to run across excess feed and now are surplus to the vendors requirements. The vendor purchased this line of lambs as a complete drop out of NSW. These Ewe lambs are a good medium frame lamb/hogget that has a good rebate on them and will fit into any operation. Being a A/S 25 drop majority of them are still showing lambs teeth, with a small % cutting their teeth. Note this is a line of 600 and the vendor will be offering this line as a run of 300 out the gate.
