Assessor Comments	470 Good quality Merino wethers present in strong store condition, robust & stand up well. Wethers weights range 32kgs - 57kgs to avg. 44.1kgs. They have plenty of time left in them, with an inch of skin they would be ideal woolgrower replacements or to be fed on and shorn; avg. micron 18. Wethers are mixed ages with the majority being Blue tags 2023. Overall, these are a well presented medium to large frame line of quality wethers, with proven bloodlines (Mt Ascot) and healthy fleece. A great opportunity for buyers.
