Assessor Comments	Due to the seasonal conditions the client is unfortunately having to sell these ewes and lambs. It is quite evident that there are still plenty of ewes in lamb. The lambs have done well even though their mother's have had not much feed. Client is feeding a bale of hay per week but hay is about to run out so these sheep need to be sold. This is a good opportunity for someone to jump into a line of good value shedding sheep as there are ewes and lambs with more lambs to come. All lambs will be NLIS tagged before delivery.
