Assessor Comments	Buyers, on offer is a line of first cross ewe lambs & hoggets, 12 to 15 months old. These young ewes are sired by Dunniel Border Leicester rams out of Gullengamble & Bundilla blood Merino ewes. They are September shorn and NSM, and show good frame and breed type. Ewes had a slow start due to a tough summer & autumn but have jumped ahead on crop & now good pastures and will continue to grow out with good feed in front of them. Young ewes which are going ahead and would be ideal to take on for joining later in the spring/summer for a winter lambing.
