Assessor Comments	420 ewes offered as 2 lines of 210 - run out the gate. These ewes represent a great opportunity to get into some strong performing sheep. These July/August 2025 drop classed out ewes are long barrelled ewes and present in strong forward condition and are showing great weight for age. Ewes are showing their potential this season given they are a month younger than normal. A smaller % has been retained this year due to property change - thanks Inland Rail, Normally the flock is classed at 45%, this year 60%. These ewes will suit any operation, from Merinos to xbs or 1st x ewe production with a previous buyer continually topping the Temora/West Wyalong 1st x ewe sale. Can highly recommend these ewes, please ring for any further info or recommendations.
