Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Notable Traits	Traits 2 Head Ewe showing sign of scur
Assessor Comments	The annual sale of the Huppatz 4 year old Merino ewes. These ewes are classed in sheep with years of breeding still ahead of them. Bred out of Lines Gum Hill rams, these large framed ewes would suit any enterprise wanting to breed more merinos or join to a terminal ram. These ewes have had their lambs weaned off the morning of them being assessed hence the score 1s in the mob. Bid up with confidence on these productive sheep.
