LAF Weights	27 lambs were handled. Low: 10 kgs - High: 28 kgs - Average: 19 kgs
Assessor Comments	This mob of ewes could be a good little opportunity for someone to top up a load or buy for someone smaller, as the ewes are doing a good job on their lambs. There are some ewes in this mob that have broken mouths and despite this they are in very good, strong physical condition. It would be a good opportunity to fatten the lambs and rejoin, as the seasonal conditions have changed. Due to the current good prices for lambs they could be a very profitable little mob.
