Assessor Comments	On offer is a very good line of cast for age merino ewes. Ewes have all just had a June/July drop 1st cross lamb weaned off them last week in which all ewes did an exceptional job on raring. Medium to large frame ewes that in September cut 5.5kg of good clean, bright, white wool @ 19-19.5 micron. All ewes are sound mouth and will be capable of handling another 2 lambing seasons with ease.
