Assessor Comments	A top-quality line of 250 June July 2025 drop Dohne ewes, DD, Calga and Macquarie Dohne blood. These ewes present forward store condition ideal to take on a join in the near future to the ram of your choice, while being scanned empty for buyers confidence. Coonong has focused on producing highly fertile, robust, easy care, versatile, clean bodied sheep, with a bare breach. Being weighed between 53 and 58kg to average 54kg at assessment these ewes are showing good growth for age. The operation has recently had great success with their focus of not only their wool quality but also their carcase attributes with a large percentage of a consignment of wether lambs achieving the IMF and LMY bonus at GMP. This is an opportunity to secure some versatile ewes for either prime lamb production or future breeders. Please not the same vendor has another three lines in the same sale.
