Assessor Comments	A line of young merino ewes. These ewes are A/S 2026 drop, Sept shorn, Leahcim bld. Ewes are not M&TS however they are very plain bodied with a shorter tail and naturally bare breach. Ewes are med-large framed, Plain bodied and have grown out well with some more growing to do. These young ewes are in fresh condition and suitable to be joined up, would suit joining to merinos or to the terminal sire.
