Assessor Comments	Offered is an exceptional line of classed-in maiden Merino ewe lambs and hoggets from a highly fertile flock producing 6 kg of 19-micron wool. At assessment, the ewes showed excellent body depth and length and are expected to mature into productive, medium-to-large-framed Merino breeders. The vendor had intended to retain these ewes as long-term breeders. A further 10% were drafted out at assessment on frame and size, leaving a quality top draft backed by more than 50 years of breeding. This is a rare opportunity to secure an outstanding line of maiden ewes, suitable for immediate joining. Potential purchasers can buy with confidence.A total of 800 ewes will be offered in 4x lots of 200 & will be delivered on a run out the gate basis.
