Assessor Comments	Buyers, on offer is a good line of 215 Non-Station Mated Merino Ewes. Ewes are sired by Tallawong Merinos, originating out of Tallawong's own commercial flock. Within Tallawong's commercial flock, emphasis is placed on stylish, low micron wools (16.5 5 year adult flock average), carcass traits and high fleece weights. Purchase with confidence as these ewes come from a closed and very well managed flock. Shorn in July and exhibiting wools averaging 40mm, these ewes present in forward condition, ideal for an immediate joining to a sire of choice. For any further information, please feel free to contact.
