Assessor Comments	Buyers on offer is a very neat line of SIL merino ewes in very forward condition. Ewes are scanned to Hawker family white Suffolk rams with 96hd scanned as twins and 44 scanned singles. These ewes present an ideal buying opportunity with a high scanned percentage and a good start in the jacket.These ewes were plunged dipped and have all their animal health up to date as well as being crutched so all the hard work is done. Some ewes present long in the toe due to seasonal conditions. Buyers bid with confidence.
