Assessor Comments	An opportunity that everyone should consider highly, 150 Merino Ewe Hoggets that present in forward condition and are on a rising plain of nutrition ready for a ram of your selection. Regrettably for sale as they are surplus to the vendors requirements, a 10% tail was removed at assessment to ensure the successful purchaser can bid with confidence knowing they are getting the best on offer! All ewes were weighed over 45 kgs and condition score 2. They are typical for Collinsville types presenting fantastic length and weight for age, they have a moderate Mulse and Tail strip that make them a classy outfit that tick all the boxes. Ewes worth considering no matter your current enterprise.
