Assessor Comments	Outstanding line of 1stX ewe hoggets that reflect years of breeding and no expense has been spared in sourcing genetics for the flock from Inverbrackie Border Liecesters and Ridgway Advance Poll Merinos. They are showing tremendous weight for age and are just starting to cut teeth. Complete drop with a small tail classed out and this is reflected in the quality and body shape. Buy with confidence as they will grow out to be profitable dams for a prime lamb enterprise.
