Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	120 NSM Merino Ewes Acc. Kilfeera Park - May/June 2024 Drop - Kilfeera Park bred & blood - October shorn - Gudair Vaccinated - Mulsed. Regretful sale due to end of lease. The above line are classed in ewes that run in parallel production to the Kilfeera Park breeding operation. Kilfeera Park stud based on Roseville Park has a strong emphasis utilising asbv's FD, CFW & YWT to breed sheep with a high rainfall resistance to suit Victoria's North East whilst maintaining a strong focus on wool production . As a 12 month flock average mature ewes cut 6kg of wool at 18.5 micron yielding 74%. Buyers please note that ewes were bagged, foot paired & trimmed by an external contractor 01/11. Opportunity knocks to secure reputable wool producers entering the prime of their lives.
