Assessor Comments	A rare opportunity to buy a very neat line of 300 Blue tag NSM merino ewes. These ewes have been classed in breeders and are only on the market due to the sale of the property. The Moore family have been sourcing there rams from Roseville park for over 30 years. These ewes are in the prime of their lives and would be an asset to anyone's breeding operation. A portion of these ewes won the Bathurst Merino association ewe competition last year. An opportunity not to be missed in purchasing a line of classed in ewes that still have many years of breeding ahead of them. Also offered in this sale is 230 Black tag ewes giving a prospective buyer to purchase approximately 530 merino ewes from the Blink Bonnie family at Tarana.
