CBD all others.                                                                                                                                                                                                                                                                                              |
| Movement Restrict.                    | None provided. [Please note: It is the responsibility of the Purchaser to satisfy all state compliances in regard to the movement of this lot.]                                                                                                                                                                                                                                                |
| Fit To Load                           | Please note that current Fit To Load standards place restrictions on the transportation of FEMALES IN LATE PREGNANCY. Sheep in the last 4 weeks of pregnancy are advised not to be transported unless under Veterinary approval. Responsibility for adherence lies with Agent, Vendor, Transporter and Purchaser.                                                                              |
| Sale Types                            | \$/Head                                                                                                                                                                                                                                                                                                                                                                                        |
| NLIS Note                             | <b>If you are purchasing livestock from AuctionsPlus, please remember it's the buyer's responsibility to transfer your purchased animals onto your PIC in the NLIS database.</b><br>To do this you can access your account at <a href="http://www.nlis.com.au">www.nlis.com.au</a> or if you require assistance, please contact the NLIS Helpdesk on <a href="tel:1800654743">1800 654 743</a> |
