Handled With	Easy steers to work with through out the yard and assessment process. Some steers stirred under pressure but settled once mobbed back up.					
Assessor Comments	An excellent draft of weaned black baldy steers on offer from our vendor today. Steers that show excellent growth for age with frame and over all length of body to work with. Steers that show excellent breed quality and characteristics being backed by industry leading genetics they look to make excellent heavy trade or bullock types providing the feed opportunity coming out of winter.
