Handled With	All heifers were a pleasure to handle throughout the assessment process, a credit to the vendor! Bikes , On foot , Vehicles		
Assessor Comments	Buyers a small but handy line of well-bred Murray Grey heifer weaners averaging 296kg. These heifers were extremely quiet and easy to handle throughout the assessment process and have been weaned approximately 4 weeks now, all the hard work has been done! They have good frame and length, with shape, softness and style. Going forward, they should continue to develop into well finished yearlings suitable for all grassfed markets being Greenhams NE acc and NG/NA. Alternatively they may also suit as future breeders down the track if purchaser desired.
