Assessor Comments	The annual draft of "Riana" steers are a quality, freshly weaned line with good type, strong frame, and excellent growth potential. The Angus X Shorthorn cross is well regarded for combining hybrid vigour, efficient weight gain, and strong finishing ability. They are being offered earlier than usual and this is a great opportunity for buyers to secure well bred steers with plenty of performance ahead of them. Please make own allowances for weaning. Electric fence trained, nil grain, nil antibiotics, never ever accredited.
