| Handled With           | Cattle were generally pretty good to handle through drafting process. Two head got caught up in the crush and became agitated but did settle once back with the group.<br>Bikes , Vehicles                                                                                                                                                                                                     |
| Assessor Comments      | Buyers a good line of well-bred Angus steers averaging 432kg at time of assessment. These steers have plenty of frame and shape and given the opportunity should grow out to make heavyweight cattle. All the work has been done with these steers, and they are ready to stack the weight on in the springtime. Greenhams NE acc, NG/NA Note: Vendor has one other line in this sale          |
