Assessor Comments	Buyers a small but handy line of well-bred yearling Angus/Friesian heifers ave 388kg. These young heifers have been hand reared since birth therefore they are quiet and were good to handle throughout the whole process. They have good frame and length and for their breed are of good type & bone. Going forward on the right feed they should grow out into well finished heavyweight steers suitable for export and MSA markets. Note: Vendor has 1 other lot in this sale.
