Assessor Comments	Buyers a handy line of well-bred yearling Angus/Friesian steers ave 391kg. These young steers have been hand reared since birth therefore they are quiet & were good to handle throughout the whole process. They have good frame & length and for their breed are of good type and bone. Going forward on the right feed they should grow out into well finished heavyweight steers suitable for export & MSA markets. Note: Vendor has 1 other lot in this sale.
