	Very quiet steers, all behaved well in a small set of yards. They have been strip grazed with single wire fences.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	A very good line of Murray Grey steers. These steers have lots of quality, showing plenty of thickness throughout with lots of muscle and shape. These steers have been handled and cared for very well and have very good temperament. The hard work has been done, with Spring here they should grow out into very heavy steers or make bullock weights. Greenhams Never ever accredited. Electric fence trained.
