Assessor Comments	Buyers a very good line of well- bred Shorthorn steer yearlings averaging 336kg. These young steers are coming out of the winter well and with Spring nearly upon us, they should put a lot of weight on over the next few months. They have good frame and length, and are displaying shape, bone and type. Going forward, they should grow out into well finished heavyweight steers suitable for all grassfed markets being Greenhams NE, JBS FA and NG/NA Note: Vendor has two other lines in this sale
