| Assessor Comments | Steers were exceptionally good to handle in all aspects & showed no signs of becoming stirry through the assessment process . Once weighed & handled these steers were let into an adjoining paddock and they continued coming back and hanging around the yards and crush area consistently . |       |         |

| Assessor Comments | A great line of young Weight for age Angus Steers , Rosedale blood, that show good length , depth & stretch . Ideal future feeders or grow into heavy steers for Grassfed programs . Great Steers to handle that will continue to add weight quickly with the upcoming Spring Flush . Greenham Never Ever Accredited, Grassfed Only, Antibiotic Free. |
