Assessor Comments	A very nice line of Angus X Friesian Heifers. Bred out of large Holstein Friesian cows sired by Landfall Angus bulls. Should grow into large bodied cattle that would make great future breeders or could be finished into heavy processing cattle.Heifers are really starting to bloom on spring flush of feed and should continue to grow out. Well handled cattle with good temperament and electric fence trained. Greenhams Never Ever Accredited, nil grain ,nil antibiotic.Vendor has another lot in this sale
