Assessor Comments	Buyers a small but handy line of Murray Grey steer yearlings averaging 470kg. These 18-19 month old steers are well bred and present as a very even line with only 16kgs from lightest to heaviest! They display plenty of length, depth and shape, with ample bone, style and type. Going forward, these steers will take full advantage of the green feed available and not take long to grow into well finished yearlings. Suitable for all grassfed markets being Greenhams NE acc and NG/NA Note:
