Handled With	These Cows and calves were very quiet and easy to handle in the yards and crush On foot		
Assessor Comments	These four Belted Galloway cows and calves are very true to breed,they are medium frame cows with good sappy calves at foot.Cows are not heavy in condition due to calves demand.These cows and calves should go on to be heavy weights for their breed in the right conditions.Cows are not rejoined and there are three steer and one heifer calves They are grass fed and nil antibiotics
