Assessor Comments	A very good line of mature Angus cows and calves, showing very good shape, weight and style. These cows are presented in forward condition and are doing a great job of their calves. Cows were purchased from Philston and are based on Landfall bloodlines. These units would be an asset to any producer looking to add to an existing herd or to start a breeding program with. Never Ever accredited, Nil Grain/Nil Antibiotics. Buyers please note that a couple of cows have bigger udders, but still seem to be sound.
