Notable Traits	Traits			
	1 Head	Small white patch behind pizzle		
	1 Head	Small white patch on flank and under belly		

Assessor Comments	A very neat line of yearling Angus steers weighed off at 300 kg and better. Well grown steers with good weight ,shape and frame that have wintered well and are really going ahead on spring feed. These cattle should continue to grow into heavyweight cattle to suit all grass fed markets. Greenhams NE accredited , Nil Grain ,Nil Antibiotic Note: Vendor has another line of steers in this sale
