	Quiet: 56 head		Quiet: 56 head		Quiet: 56 head	
	These Steers were a pleasure to handle in all aspects of the inspection & assessment process . At no stage did any cattle shows signs of aggression and only became slightly agitated when pressure was applied . Steers were drafted in the yards easily by 2 people and moved through the yards well through the assessment . Steers are moved regularly by 1 person & spend more time following you rather than moving away . Handled by Cattle people .					
Handled With	Bikes , Dogs , On foot , Vehicles					

Assessor Comments	A great run of Angus Steers going ahead.Great Steers to take on as Future feeders or Grassfed program cattle.These Steers are very well bred and show the depth of breeding within the Hall herd & will continue to move forward given the right conditions,well bred out of medium to Large frame Angus Cows and by Bulls showing strong traits and an emphasis on IMF ,GROWTH & EMA.An excellent opportunity to secure Steers offered in 2 deck lots.100% of Steers weighed at assessment with a total 395 in this draft (Weight to Scan file available to purchasers on request)# PLEASE NOTE freight options offered by Vendor,All efforts will be made to ship any Cattle purchased off Flinders Island at the earliest opportunity.Vendor transit insurance will cover Cattle to the designated delivery points stated for injury or death.Please contact Warren for any further information required.Please note 7 runs of 56 being offered in this run.These Steers are being offered under Auctionsplus terms Standard Full less 5% deducted for delivery,buyers please take into account travel durations off Flinders Island and make own Delivery adjustments +or- for Delivery to Port Welshpool or Bridport wharfs.
