Notable Traits	Traits
10 Head	Late marked

Assessor Comments	Buyers a line of yearling off Angus steers averaging 400kg. These steers are bred well enough however have been late marked earlier this year by a vet and have lost their bulliness but are still showing signs underneath. They are displaying good frame, length, bone and type. Going forward, these yearlings have the capacity to gain a lot of weight very quickly but will need time to grow out into finished cattle. NG/NA
