Assessor Comments	Buyers a nice line of well-bred Shorthorn heifer yearlings averaging 286kg. These young heifers are still holding on to their winter coat but at time of assessment had a drench and 7 in 1 vaccine booster so should explode over the next few weeks! They are medium to large in frame and are displaying good shape, style and type. Going forward, they should grow out into well finished yearling heifers suitable for all grassfed markets being Greenhams NE, JBS FA & NG/NA
