Assessor Comments	Buyers a nice pair of Angus/Hereford cross heifer calves averaging 409kg. Unfortunately only two cattle in this draft however they are very high quality and have good weight for age! They have good frame and length, and are displaying shape, style and softness. Going forward, they will continue to grow into well finished yearlings suitable for all grassfed markets being Greenhams NE acc and NG/NA Note: Vendor has one other line in this sale
