The cows are 2-7 years old and the calves are 5-7 months. The cows have been consistently producing calves. They are quiet cattle that are great to handle and work with. All of the cows bar two are medium to large framed cows and primarily in store condition and are all doing a good job rearing great calves. 60 day time payment offered to approved purchasers. A small portion of the cows have fly bite/old fly bite scarring aswell as one cow having a slight Bent nose (see last photo)
