good cattle to handle.

Handled With	Bikes

Assessor Comments	A outstanding line of heifers and calves bought of CTLX as weaners off some of the leading herds on the tablelands. These large framed Angus heifers have been joined to the Aloura angus bull since the 4th of June and are doing a great job on their calves. The calves are by Aloura Angus bulls and average 210kgs. These potential 3 in 1 units are ideal to improve most herds and will not disappoint.
Assessor	**Scott Johnston (Level 2 Accredited)**

Delivery Period	08/08/2026 to 14/08/2026 (7 days)
