Assessor Comments	Presented to the market is a nice line of 13 x 13 station mated cows & calves. These cows were purchased from Auctions plus but originate ex SELX weaner sales. Calves average just over 200kgs and are powering ahead with good feed and warmer weather. Cows have had a 10 week joining to a Taloooby Angus Bull. A great opportunity to secure a neat line of potential 3 in 1 units to either split and trade on or to merge these cows into your breeding program.
