Assessor Comments	Offering on behalf of Kininmonth Pastoral are 5 PTIC Angus/Hereford heifers. Heifers are on the doorstep of calving, to commence calving 25th August, to low birth weight Murderduke Angus bulls. Heifers present in forward store condition, ideal calving condition. They are very quiet, and handle very easily. A great option to add to an existing spring calving herd, or calve down/trade with the spring just around the corner. ***Please note vendor also has another lot in the same sale - 25 x Angus PTIC heifers (same details as above).
