| Assessor Comments                     | Offering on behalf of Kininmonth Pastoral are 5 PTIC Angus/Hereford heifers. Heifers are on the doorstep of calving, to commence calving 25th August, to low birth weight Murderduke Angus bulls. Heifers present in forward store condition, ideal calving condition. They are very quiet, and handle very easily. A great option to add to an existing spring calving herd, or calve down/trade with the spring just around the corner. ***Please note vendor also has another lot in the same sale - 25 x Angus PTIC heifers (same details as above). |

| Delivery Comments                     | 24 hr notice prior to delivery                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Trading Terms                         | Standard ALPA terms and conditions. Payment prior to delivery may be required if purchaser not settling through an approved agency.                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Movement Restrict.                    | None provided. [Please note: It is the responsibility of the Purchaser to satisfy all state compliances in regard to the movement of this lot.]                                                                                                                                                                                                                                                                                                                                                                                                          |
| Fit To Load                           | Please note that current Fit To Load standards place restrictions on the transportation of FEMALES IN LATE PREGNANCY. Cattle in the last 4 weeks of pregnancy are advised not to be transported unless under Veterinary approval. Responsibility for adherence lies with Agent, Vendor, Transporter and Purchaser.                                                                                                                                                                                                                                       |
