Assessor Comments	Attention buyers a nice neat tidy 2 deck line off PTIC Santa cross cows in calf to Palgrove Ultrablack bulls. These cows are only for sale due to a very poor season and are a part off the vendors core breeding herd. All the hard work is done, and these cows are right to go on with and start or add to the breeding herd. The "Dumfries" weaners are sold at the Roma Saleyards and usually if not top or above average in price in their weight categories each year.
